

How to Log in to a Chromebook at Home

Open the lid on the Chromebook to power it on. If it doesn't come on, plug in the power cord.

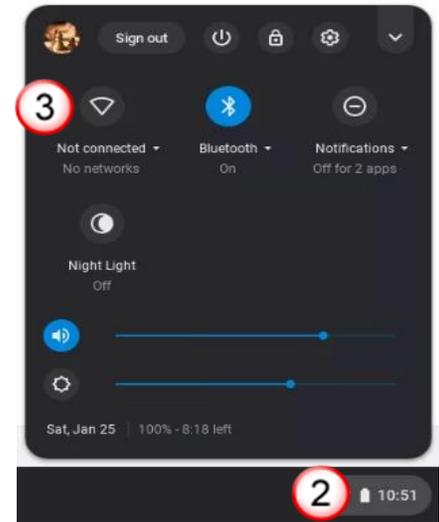

Do this first! (you should only have to do this part one time)

Before you can log in to the Chromebook, you have to connect to your home WiFi network.

1. If you see this box when you power up the Chromebook, just click on your home network and sign in with the password.

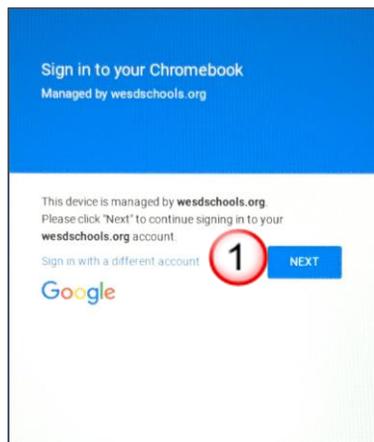

2. If you don't see the white box, click on the time in the bottom right corner of the Chromebook screen.
3. Now, click on the WiFi icon, where it says **Not connected**.
4. Find your home network name in the list and click on it.
5. Finish logging in with your home network password.

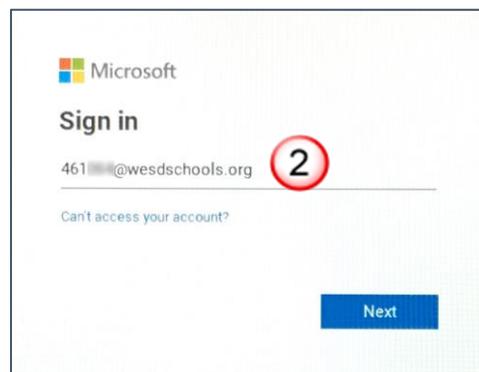

Now, Log In (you will have to do this every time) (directions for figuring out your email and password are on the next page)

1. Click on **NEXT**

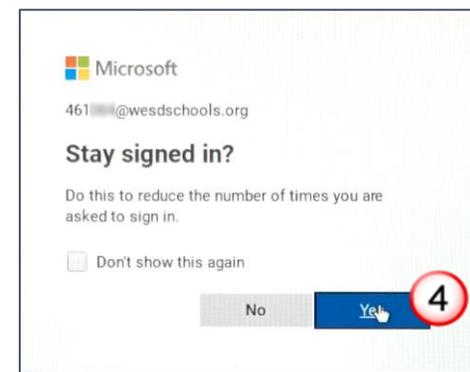

2. Enter your email address and click on

3. Enter your password and click on **Sign in**

4. Click on **Yes**

How your Email Address and Password Work

	Email Address	Password												
<p>How it works</p>	<p>The part before the @ symbol is the letter "s" followed by your student's six digit student ID number The part after the @ symbol is sageacademyaz.com</p>	<p>Your student's password is their</p> <ul style="list-style-type: none"> • the first two letters of their first name • the first two letters of their last name • and then their 4-digit birth date month/day <p>for a total of 8 characters, <i>all in lowercase</i></p>												
<p>Here's an Example</p>	<p>If your student's ID number is 999999, then their email address would be: s999999@sageacademyaz.com</p>	<p>If your student's name is Faith Smith, and her birth date is 02/04/2011, then her password would be: fasm0204</p>												
<p>My Student's Info</p>	<p>s and Six digit student ID #</p> <p>s <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> @sageacademyaz.com</p>	<table style="width: 100%; text-align: center; border-collapse: collapse;"> <tr> <td style="width: 15%;">first two letters of first name</td> <td style="width: 15%;">first two letters of last name</td> <td style="width: 15%;">2 digit month</td> <td style="width: 15%;">2 digit day</td> </tr> <tr> <td colspan="2">⏟</td> <td>⏟</td> <td>⏟</td> </tr> <tr> <td><input type="text"/></td> <td><input type="text"/></td> <td><input type="text"/></td> <td><input type="text"/></td> </tr> </table>	first two letters of first name	first two letters of last name	2 digit month	2 digit day	⏟		⏟	⏟	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
